## Rob Tapert confirms there will be no Xena movie

Posted on April 21, 2009 by Brent Hartinger, Editor

Rob Tapert, the co-creator of television's *Xena: Warrior Princess*, has given up hope that there will ever be a live-action feature film version of the classic show, at least not any time soon or starring series leads Lucy Lawless and Renee O'Connor.

"It's something that just won't happen," Tapert told TheTorchOnline.com in an exclusive interview. "I don't think it's going to happen for Lucy and Renee. In twenty years or ten years, in some amount of years, like *McGyver*, like *Charlie's Angels*, it [could] happen like that [with other actresses]."

Rumors of a feature film adaptation of the series, which ran in syndication from 1995 to 2001, have circulated for years, and all the principles had indicated in interviews that they'd be eager to participate.

"I thought for a heartbeat it would [get made]," Tapert said, "but at the end of the day, the rules of motion picture marketing, where they have to commit \$25 million to open a movie, in this environment, the momentum you need to get a movie made isn't there to get a *Xena* movie made."

One problem for a film version concerned the fact that NBC Universal Television Group controls the rights to the show, not Tapert or co-creators John Schulian or R.J. Stewart.

Tapert's pessimism stems from the rights question, which still hasn't been resolved, and the lack of funding. "It's a question of [rights and financing]," he says. "All of the above."

The show was canceled after a six-year run, but still enjoys a huge cult following, both online and at annual real-time conventions.

Over the course of the show, the character of Xena returned from the dead many times; the warrior princess even died in the series finale. But now the character, at least as interpreted by actress Lucy Lawless, appears to be dead for good.

## History of Prop Collecting

1970 MGM Studios has a major auction including many key pieces from Wizard of Oz. This was the first major auction of props/wardrobe items conducted by a major studio.

Elaine Vollmer starts a small store for selling movie wardrobe then known as The Retake Room and later renamed Studio Wardrobe. In 1996 the store is renamed ReelClothes and operates to this day.

Late 1980's Startifacts one of the early stores of celebrity wardrobe/movie props and costumes is started by Michael Kronick

1989 Starwares on Main is started by Marcia Tysseling, and her brother, John Tysseling. StarWares focuses on celebrity clothing screen used or not as well as props and costumes. The firm has more of a charity aspect when it comes to their dealing with ordinary celebrity owned items.

1991 The Its a Wrap Store is launched specializing in bulk wardrobe from movies. The owner used to work at The Retake Room before launching the Its a Wrap Store.

Starticles Started late 80's or early 90's in Canada.

1990's Auction houses such as Camden, Butterfield & Butterfield, R&R Enterprises, Heather Holmberg, and Profiles in History become a large auction source of props and costumes in addition to the occasional Sotheby's or Christies auction of this sort of thing.

Late 1990's New Primarily internet based sales venues begin to launch including PropStore of London 1998 and MovieBits which went online in 1998.

**June 2001 and Later Its a Wrap along with Studios USA holds a massive auction of Xena wardrobe and props via Yahoo auctions. This is one of the first times that a major auction, of in demand studio direct things after production is held directly online for anyone to bid on.**

2001 Premiere Props begins to sell props from various Universal Studios and other productions direct to consumers via Ebay and Yahoo. Since then they have handled sales of props from Battlefield Earth, We Were Soldiers, Spiderman, The Grinch, Nutty Professor 2 and many others bringing props and wardrobe to the masses.

## A Wicked Good Time

### Need to sell multiple Xena/Hercules Props and Wardrobe?

#### GROUP MAILINGS

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts.

We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our circle and we know they will be going to a good home

I can do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you.

Any questions comments or suggestions on these mailings backed by Xena Prop House please email [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com) **-Barbie Arms-**

This section is designed to display items that *match back up* with the props or wardrobe that were scattered to all four corners of the earth years ago during the feverish Auctions.

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together a venture I truly enjoy, one prop at a time!

## Amazon High

Here is an incredible chain of events where Cheri acquired two Continuity photos that match up with the names in her Amazon mask! This “Coming Home” was a very exciting event for Cheri, which inspired the title from Hercules Episode, Amazon High!

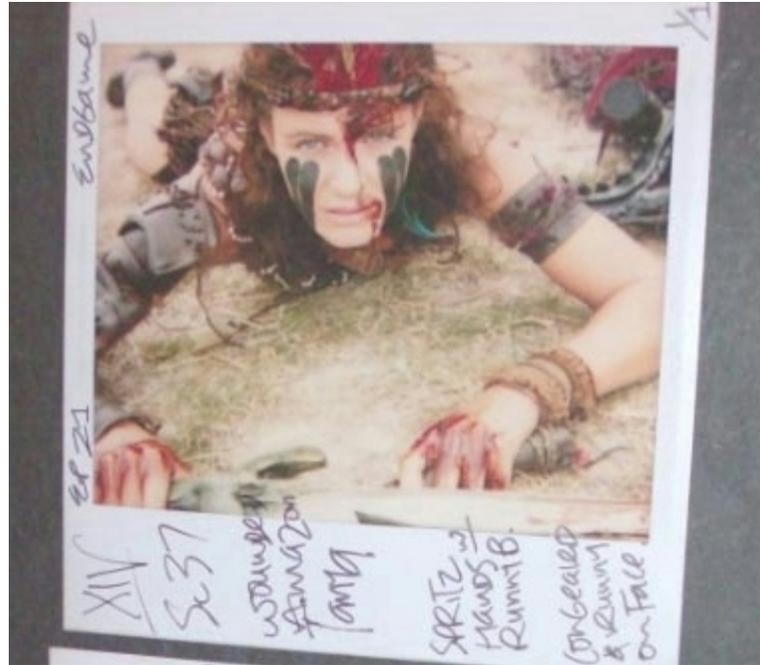

Over a year ago Barbie had a very rare and awesome opportunity to acquire continuity photos from a collector in NZ. Barbie kept a handful of photos for her own collection including some really cool Amazon photos from the Xena Episode “Endgame”. These photos were very descriptive with the actresses name, episode and information regarding the wound they needed to re create each day of filming, an example of an actress named Renee is seen here.

Recently an amazon mask was offered for sale from a seller in NZ. Cheri purchased the mask and told me that the tape inside had 2 names, Tanya crossed out and Renee written on top.

Of course this was something to investigate due to the possibility that Renee O'Connor may have worn the mask but looking through the Amazon continuity photos Barbie noticed that two of them had the names Tanya and Renee and both had the "Endgame" episode written on them. What were the chances of having those two actresses' names on the photos and connecting them to the mask that was worn in that episode? Below is Tanya showing her hand wounds and stripes on her cheeks.

After viewing the episode Cheri could find the actual mask on the actresses in "Endgame". In the screen capture below you can see Tanya in the background she has the mask on and the thick dark stripes on her cheek. After watching the entire episode we noticed that a few Amazons had stripes but not the same as Tanya's so that proves that Cheri's mask was worn in this scene by Tanya.

Here is Cheri's mask compared to another screen capture from "Endgame". that she found In the scene below, it looks as if Renee is wearing the mask in this shot. Her hair and Jaw look similar to the continuity photo of her.

Cheri's mask

Screen Capture

Of course Barbie sold Cheri the photos to go with her mask. Here is Cheri's beautiful mask displayed with her continuity photos.

### **Amazing chain of events**

Continuity photos were not taken for every episode; only those in which filming needed to resume on another day AND the actors were in such a place that they had to get back into the same scene without looking any different than they did the day before. Most were thrown away because they were not needed after the episode wrapped up and at that time, RENPAC had no idea they would

become so sought-after by collectors. The amazons in this scene had no speaking lines and were not featured prominently, so taking a photo to be sure their looks were "continuous" is even more amazing. The crew member had to first save the photos, then later decide to part with them, then the buyer had to have the connection to the crew member to get the photos, then have the connection to Barbie to be able to sell them to her. Barbie also had the photos well over a year before Cheri got her mask AND the mask was a treasured piece from the seller that wasn't even going to offer it for sale but later did. So we are struck by how all the pieces had to fall into place in order for this to happen!

This is a perfect example of how dedicated collectors that share information can make an impact on these precious props finding their way "Back Home".

#### Website Closing Down

Geocities is closing down my website, as it is no longer offering free websites and this is happening in October. Although it would be good to be able to continue the site, I can't justify spending the money on keeping it open. I was hoping that I could save pictures and information on the site by offering any collectors to take what they want from the site, I am happy for people to take whatever they want, no need to ask. Leena

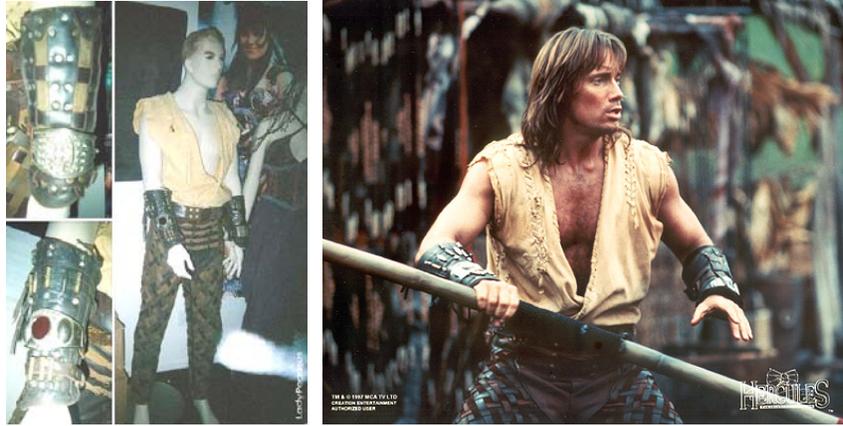

[xena\\_trade\\_center@yahoo.com](mailto:xena_trade_center@yahoo.com)

#### For Sale by Torey Hercules complete costume Price reduced **\$5,000 FIRM**

It is COMPLETE and it has the costume tags and IAW COA and everything is HIS. It even has mints in his little leather pouch (probably for his close ups with the ladies)

Kevin Sorbo wore this full costume in the 5th season Xena episode "God Fearing Child" where Xena had her baby and Hercules was hugged by Lucy at least a few times while wearing that costume. It also does come with the costume tag that states it to be Kevin Sorbo's complete costume. The tag reads Xena EP. # 13 Kevin Sorbo Hercules.

The detail on Kevin's left gauntlet is astounding. Kevin always said, "When the gauntlets come on- I AM Hercules!"  
The right gauntlet is the nicer of the two- with a red carnelian polished stone in it.

It has people, animals, trees, bushes and some small banners with faux writing with a painted leaf like border.

## 2. Dagger

Resin composite style dagger made around a metal rod like a lot of WETA Pac Renn weapons. It measures 15" and is painted in layers to give it that aged look, it has black electrical tape wrapped on the handle for gripping.

## 3. Necklace

Worn in the Hercules Season 5 episode 'We'll Always Have Cypress ...' and worn by the Priestess & Protectors of The Oracle of Cyprus. Made with braided soft leather and tooled leather pendant.

## 4. Necklace

Here is a cowrie shell and beaded necklace sewn on to soft leather, appears to be amazon; like around the 'Coming Home' and 'Dangerous Prey' era, but I haven't found it yet...I guess it could have been worn as a headband as well.

## 5. Leather Bag

A nice thick leather tooled and sewn bag with 2 small leather pockets on the front under the buckles, it measures 10 1/2" tall, 9 1/2" across and 3" wide. A very well made purse, or carry bag; I got it hoping it was big enough to hold my scrolls but they are way too long.

## **Xena Museum & Athenaeum**

We are currently offering the brand new Xena Museum & Athenaeum pin back button to help support the work of the XMA with a portion of the proceeds to support Christian Children's Fund, providing food, clothing, education and healthcare to children worldwide since 1938.

also

Any donors ordering a Xena Museum button will have the option to elect the charity their donation goes to, be it CCF or Women for Women International. Women for Women benefits women who have suffered the atrocities of war and gives donors the option to have their donation go to a charity without a religious affiliation. Other charities will benefit in the future if we are successful with these efforts.

Please visit the shop link below as an extension of the charity button campaign to allow supporters to choose items other than the XMA button with proceeds still supporting the two selected charities, CCF and Women for Women International.

The MySpace page for The Xena Museum and Warrior Women United has been joined by many strong women including members of the Xena cast and team, other related nonprofit groups, and female athletes, artists, and empowered women from every walk of life. ## “If The Shoe Fits”

**This is a Q and A section to help get those important questions answered.**

**Q 1** I am trying to find out how many Creation Entertainment Xena Whips were made. I spoke to Sharon and she doesn't remember how many exactly were made of the Xena Whips, but says there weren't many of them maybe only 100 though she isn't quite sure. She agreed that this is going to be a Xena Prop reproduction from the NZ prop makers mystery! So unless someone comes up with a limited edition of above 100 then it is a mystery. If anyone knows how many of these whips were made please let us know. **EDGAR**  
[Swordofx@yahoo.com](mailto:Swordofx@yahoo.com)

**Q 2** In regard to the Xena Warrior Princess original television sound track if anyone knows the words translated into the English language for  
#2 Warrior Princess  
#5 Burial song that was composed by Lucy Lawless  
#12 Glede Ma Glede (Amphipolis Theme Song) which is also a traditional Balkan harvesting song. I believe all 3 songs are sung in the Bulgarian language. I am very curious what the words say. The only songs translated in the cd cover are the "Xena Main Title" and "The Gauntlet" so if there is someone out there that knows the words in English to these 3 songs I would love to know what they are.

**Q 3** Did they reuse the same Amazon Masks over and over in every episode by repainting them or did they make new ones from molds for each different episode they were shown in ?

**CHERI** [myxenawp@yahoo.com](mailto:myxenawp@yahoo.com)

**Q 4** What is your favorite Hercules or Xena Episode and why? **BARBIE**

**If you have a question please send to Barbie at [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com)  
Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.**

## The Quill is Mightier

Counselor: Hello everyone, and welcome to PropaHolics Anonymous. Thank you all for coming. I think you'll find that by the time you're finished with this series of meetings that you'll...uhh...be able to break the vicious circle of prop addiction and umm.....ma'am, what are you wearing?

Cheri: Ma'am? Are you kidding me??? That's Amazonian Bad Ass to you, and I'll have you know this ceremonial mask is real leather, feathers and just a tad of raffia. Oh and probably some injected foam and other various materials. And someone's sweat, but that's set-used sweat so it makes it okay. Just keep the Febreze away from me, buster...I like my props and bodily fluids to be authentic.

Counselor: Are you wearing it as an iconic symbol of the shame you feel in overspending on props, thereby hiding your face as if to hide your past actions from the view of others?

Cheri: Actually I'm wearing it as an iconic symbol of the fearless amazon warriors that it represents, and you just mind your own beeswax about my spending or I'll put a resin hole in the side of your car that you could drive a chariot through.

Counselor: Ahh yes, well, we shall get back to you later. And uhh...oh my, what is happening over here?

Kimba: I hope you're not looking at my authentic tiger skin skirt. It is NOT for sale.

Counselor: Sale? What?

Everyone at once: Sale? Where? What's up for bid? Is there a reserve?

Counselor: People, people, please be quiet. I am now calling this meeting to order.

Barbie: Thank goodness. It's getting hot in all these layers. You would think that the Gabby dancer costume would breathe more.

Morgan: You should try the Valkyrie corset. It took me three hours just to get it fastened, but that's only because I got my index finger stuck in an empty rivet hole, fell down the stairs, and had to flop my way outside until a passing motorist took mercy on me.

Counselor: Now please settle down, everyone. Do you all know why we're here tonight?

Christina: Because there were no good prop auctions ending on eBay?

Morgan: Because you put "free pizza" on the flyer?

Paul: Because you are a hop, skip and a wooden prop bowl away from the IAW warehouse?

Counselor: Because you are all hopeless Prop Addicts who would sell your own relatives to get a metal version of Xena's battle sword and I have sworn to help you overcome your addiction. Let's all say our mantra together, shall we?

Everyone: May the gods grant me the serenity to accept when someone else outbids me, give me the courage to snipe them in the last few seconds of a holy grail prop auction, and the wisdom to know the difference between an authentic prop and a cheesy reproduction.

Counselor: Uhh...close enough. Now, who would like to be the first courageous person to stand up and address the group?

Mart: I will. Hi, my name is Mart and I am a Prop-A-Holic. I'm not the least bit sorry about it, either.

Barbie: Hi, Mart! Hey, I saw your website update! Awesome FX daggers with the blood tube!

Mart: Thanks! You should see what I have coming from Germany!

Counselor: AHM! Well, that was very brave of you, Martin, anyone else?

Cheri: Hi, my name is Cheri, and the next auction I am bidding on ends in eighteen hours, thirty-seven minutes and twelve seconds. If we happen to be here that long, I'm gonna need access to high speed internet. And a bathroom.

Morgan: And more pizza.

Kimba: And lotion. This top has brass rivets in it and they're chafing.

Brad: Yes, but it looks quite stylish. Those rivets remind me of the ones on Ares incredibly detailed leather top in Coming Home....

Counselor: Listen people, we have a lot to discuss tonight. And you over there with the nervous tic and the war paint. Settle down! Now I would like each of you to tell me how long it's been since you bought your last prop.

Scott: Three hours.

Cheri: Yesterday at noon.

Carin: Two days, but technically Sunday wasn't a business day.

Lilias: I just did a buy it now from my phone!

Randi: 48 hours, minus a 12-hour span when I took a power nap after going on a prop-buying spree that really took a lot out of me.

Zach: I've gone three weeks.

Everyone: GASP!

Counselor: Zach, I am so proud of you! What restraint! What bravery! What amazing resistance to temptation!

Zach: Actually, I was on vacation in a remote part of the world that had no internet access. It was the worst three weeks of my life. I placed 47 prop bids on auctions that end a week from now just to make up for it.

Counselor: Sigh...well, who would like to share their sad sordid tale of addiction? Perhaps others could find comfort knowing they are not alone.

Meek Voice from the back: Umm...I will.

Everyone: RACHAEL??????

Rachael: Yes, it's me. Oh sure, it started out innocently enough. I was just going to buy a couple of props to enhance the atmosphere on my show after Xena boosted the ratings through the stratosphere with that war cry of hers, and the leather. Viewers love leather! But then I couldn't help myself anymore...have you seen the quality of these props? The resin dinars looked so fashionable on the table next to my latest bestselling book that I upped the ante and bought a few swords for set dressing on my nationally syndicated television show, which airs on the food network regularly! Be sure to tune in! But then when I found the Xena Samurai back armor and wore it to bed one night and my husband said.....

Mark: YOU have the Samurai back armor? Do you know how long I've been looking for that??

Rachael: You know it's really quite comfy....you wouldn't think so, but....

Mark: Yes but is it for sale?

Counselor: Please, people! This is a support group, not a swap meet! Everyone take your seats!

Rachael: (whispering to Mark): We'll talk later. I might be willing to part with it if you can talk Xena into coming back on my show during sweeps week.

Counselor: Admitting that you are addicted is the first step in overcoming your problem. Let's take it a step further and pair you up with a buddy. Whenever you feel the urge to buy a prop, you call up your partner and they'll talk you through it until the feeling passes. A support system has proven to be very effective when dealing with such strong addictions.

Chris: That's a great idea. Because there have been so many times when I have questioned the feasibility of buying a particular prop.....

Counselor: Excellent!

Chris: ...because I just didn't know if I could verify something as authentic. The buddy system would be a second set of eyes and expertise!

Counselor: That's not exactly what I had in mind....

Cheri: Perfect! Just last week I couldn't decide whether to spend all my money on a single prop or split it up between smaller props. One text message to my buddy and I could solve that little dilemma right away!

Counselor: People, come on! Look, it's almost 9:30 and we don't have much time left...

Barbie: 9:30?? That resin castle spear ends in 40 minutes! I need to go!

Cheri: Me, too! I am one amazon short of an armband and there's one that just got reduced in my favorite seller's ebay store... Hey, where's Morgan?

Rachael: Now, Morgan, you see, to make a really good pizza crust, you have to start with the freshest ingredients. I like to grind my own wheat.....
