A Wicked Good Time

Need to sell multiple Xena/Hercules Props and Wardrobe?

GROUP MAILINGS

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts. We all need to sell items occasionally for various reasons so instead of dealing with the ebay rules and fees lets try selling among ourselves rendering a most satisfying and fun transaction for all. We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our circle and we know they will be going to a good home

I can do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you.

Any questions comments or suggestions on these mailings backed by Xena Prop House please email allaboutartgalry@aol.com **-Barbie Arms-**

Prop of the Month Showcase

cool club

Owned by Tricia X 5

Resin Iolaus' Sword with old man face pommel. This was purchased from the IAW warehouse sale from a pile of anonymous swords, so I am surprised as a leading character sword that it ended up in the "leftovers" pile. The Iolaus sword has red wrappings on hilt.

Foam sword with jeweled handle has a gold handle like Athena's.

Resin Xena's sword

The leather scabbard has velvet detailing and dragon's head decoration. Episode unknown.

Mace may be from Orphan of War with a foam head.

Mace, Scabbard and Swords

Tricia has an amazing collection and I will be featuring items from her collection in the upcoming months of XPH.

If you have any comments or questions please direct them to Barbie at allaboutartgalry@aol.com or Xenaprohouse@aol.com

Coming Home

This section is designed to display items that *match back up* with the props or wardrobe that were scattered to all four corners of the earth years ago during the feverish Auctions.

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together a venture I truly enjoy, one prop at a time!

Owned by Mart

Mart has been vigorously working on getting the Amazons back together. Here is another new Amazon outfit

Here is Amazon number 8 that consists of a leather top with braided over pieces and a feather shoulder guard, a leather fringe bandoleer, a leather wrap around skirt with a leather and braided over skirt, it has a leather and feather armband, a pair of leather wrist wraps, a coconut and beaded belt, a raffia, leather and feather hairpiece and a braided leather headband.

Forget Me Not

Have you seen these props in an episode?

Owned by Lee X 2

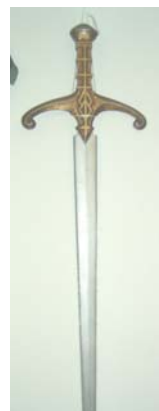

Lee bought these swords from SPLW most of you recognize this reputable seller.

The first one is a huge rubber sword measuring 49" in length with a blade 3 1/2" wide. The handle is 14 x 9 with skulls at the top and on the hilt. Obviously a doublehanded piece but who might have carried something like this?

The second sword is a gold metal handle and very substantial measuring 9x9. The blade is reinforced resin with just a few minor dings. Item measures 34" in total length.

8. This strap has very nice leatherwork maybe something used by the centaurs but no luck in finding them yet. They are two braided leather straps and are quite large and heavy. Included is a replica Xena sword to get an idea of the scale of the items.

Please contact Paul if you have seen any of his props txodo@hotmail.com

Here is a silver bracelet that came out of a box that was a brown carton labeled Gabrielle/Renée that had goodies in it! Can anyone verify the validity of these bracelets worn by Gabrielle?

4. Gauntlets

Here are Gauntlets made really well of woven black leather strips. They say Kora and also say Emma inside. They were supposed to be from Young Hercules. So far, Kora in Young Hercules did not wear them and I have no idea about an Emma they are 2 different people as the actress who played Kora is not named Emma, could have been her stunt or double.

Please contact allaboutartgalry@aol.com if you have seen any of these

1. This looks very familiar to me but I do not know what episode it was seen in, can anyone help? The dangles are the same as seen on the cherish costume and armbands Lucy wore in X 1 E 17 "The Royal Couple of Thieves". Interesting how the prop makers re used designs.

Owned by Mart Burrow x 11

1. Very beautiful intricate Spear.

2. Gauntlets

3. Dagger and Sheath

4. Leather Wardrobe

Leather Wardrobe is made of vinyl soft leather like material and lined with soft cotton material and all decorations are hand painted. All the designs are Egyptian especially with the Egyptian eyes and what seems to me to be Isis in the front. It consists of a set of gauntlets, a dress and a set of greaves.

5. Amazon Necklace

6. Piece of cloth with a dragon

7 & 8 Amazon Mask and elaborate necklace, the large medallion is 3" across, the middle one is 2 1/2" and the smallest one is 2".

9. Here are 2 daggers, one is a standard dagger the other is a FX dagger that holds a blood tube in the handle so you can squeeze it a little as you cut someone and have the blood cut appear. It has a thin tube with holes in it that runs the full length of the blade but the holes are only from the tip to about half way down. The handles are made of closed cell foam with a resin coating and then painted but the blades are rubber, neat little daggers measuring 9" long that look identical in appearance.

10 & 11 Beaded and Coconut Amazons belts

For Sale by Torey Hercules complete costume

. Price reduced **\$5,000 FIRM**

It is COMPLETE and it has the costume tags and IAW COA and everything is HIS. It even has mints in his little leather pouch (probably for his close ups with the ladies)

Kevin Sorbo wore this full costume in the 5th season Xena episode "God Fearing Child" where Xena had her baby and Hercules was hugged by Lucy at least a few times while wearing that costume. It also does come with the costume tag that states it to be Kevin Sorbo's complete costume. The tag reads Xena EP. # 13 Kevin Sorbo Hercules.

The detail on Kevin's left gauntlet is astounding. Kevin always said," When the gauntlets come on- I AM Hercules!"

The right gauntlet is the nicer of the two- with a red carnelian polished stone in it.

Please contact ldypegasus2002@aol.com for more information and pictures

For Sale by Lorraine aka Kimba X 5

1. Livia Metal Sword

Adrienne used it in all her close ups, it is electroplated to be shiny for the camera and has the COA from IAW and was purchased from Anne Davidson

Price Reduced \$1,100 or Best Offer

2. Xena Stunt Boots

Here are Lucy's stunt boots and they come with the IAW COA showing that they are Lucy's with a label. Something else to be said about these boots- Lucy herself advertised these boots on her site stating them to be hers, as they were auctioned off for charity, along with quite a few other props and costumes of hers at the time. They are also her size so even though we know they aren't her hero boots, we know she obviously did some stunts on horseback, and these are equestrian boots. Lucy wore these English equestrian boots when she did limited stunt work on top of Tilly (Argo) the beautiful palomino mare she rode throughout the series. The boots are actually black painted brown to go with her brown leathers. They are a size 10 1/2 (her size) and are a rubber material not leather like her normal boots. \$150

XENA DRESS AS A ROMAN NOBLE NAMED FASMINA FROM XENA EPISODE
'LEGACY" **SOLD**

3. SHAMANESS COSTUME TUNIC TOP AND PANTS FROM “ADVENTURES IN THE SIN TRADE”

\$1,200 OR BEST OFFER

This is the costume that Xena wore in the episode- Adventures in the Sin Trade 1 and 2. The headdress is **not** included. It comes with the COA from IAW there is no costume tag- but It was compared it to others of hers and it is an exact match along with the long pant size length! Necklace shown on the mannequin is **not** included with the costume.

4. Metal Amazon Sword

The price is \$1,600 / offer, only taking serious offers on this sword, also open to a partial trade plus cash or payments. It comes with the COA from IAW and the suede sheath, it is one of the very few metal bird swords that survived. We have reason to believe it is Terreis's sword from Hooves and Harlots due to the burn mark on it. After Terreis dies and gives Gabrielle her right of caste Melosa puts the sword in hot coals to burn all night before the execution of the centaur.

5. Marga Queen costume

Here is Marga's Queen costume that was used in the sixth season and the necklace that was passed from her to Varia through Lucy's hands and also Renee's. This necklace was handled by BOTH Lucy and Renee besides being a wonderful addition to the costume. The entire costume is being sold. That includes the antlered headdress. The price is \$ 1,500/ offer or partial trade. I would be willing to take payments as well on this. Serious offers only. Marga's queen costume comes with the Turners auction COA from the Auckland auction in New Zealand. This is Marga's costume, not the doubles. The antlered headdress is very nice in it's own right

PLEASE CONTACT LORRAINE FOR MORE INFORMATION AND PICTURES XWPARGO@AOL.COM

For Sale by Ellie

Ellie is making travel arrangements to Kenya, as she will be returning to work with the baby elephants at the end of December. Because of the new ivory sanctions to China, there are many new orphans who will need lots of support and healing.

Ellie came up with a great idea!

Since people don't seem to have a lot of liquid assets these days she felt that there may be a lot of people who have a bunch of frequent flyer miles that they don't, or won't, be using...or maybe it's just too expensive for people to travel anywhere right now, and so their frequent flyer miles may expire. Since Ellie NEEDS frequent flyer miles or airplane tickets for her travels, then maybe people can use theirs to buy the remainder of her Xena things for sale. So Ellie devised a "price list" if someone is interested in donating some of their miles to buy her a ticket to Kenya (which would only really cost about \$150 to transact)...Ellie's next

mode of research is for the wildlife and whales in Alaska and a possible opportunity to go swim with the humpback whales in Tahiti.

Xena: What's with all the commotion in Athens today? You know I hate crowds, Gabrielle. I thought we were just coming into town to pick up a few supplies.

Gab: We are. I'm not sure what's going on here but uhh.....ummmmm.....interesting.

Xena: What?

Gab: There's a woman over there who's dressed a lot like...ummmm.....well....you.

Xena: What???

Gab: Look. And....there's another one. What's going on here?

Xena: Maybe Modern World Alti somehow survived that unfortunate electrical accident in the junkyard and cloned us again. If she did, I'm going to have a short but dignified hissy fit. Did you see how many jelly donuts the cloned me ate the last time? I swear, my karma was on a sugar overload for a year and a half. Those things go straight to your hips.

Gab: Well if she did, our clones are all somehow attracted to that building over there, because they're lining up to get in.

Xena: I'd say it was a weapons convention, except for the fact that your clones look eager to get inside as well. And my clones would not look that happy if it were a play or something equally bor....I mean culturally stimulating.

Gab: Let's see if we can figure out what's happening.

Xena: You distract the guard with your feminine wiles, and I'll slash my way through the side of the building.

Gab: Or we could use the front door like everyone else.

Xena: Sigh.

Gab: Excuse me, sir, but could you tell me what's going on here?

Doorman: GREAT costumes, girls, wow! You're a shoe-in for the contest later on. Do you have your tickets?

Gab: Umm....Why do we need tickets?

Doorman: For the annual Xena Convention, of course. This is the first year it's been held in Athens, and the turnout is a lot better than we expected, even with the airfare and the fact that we're still charging slightly less than the national debt for gold seating, autograph tickets, and special events not included in the regular price.

Xena: We don't have any tickets, but then again, you're not going to have any vital body fluids left if you don't let us in. It's a fair trade, don't you think?

Doorman: You even SOUND like Xena! And those leathers look really authentic.

Gab: It's REALLY not a good idea to put your hands on her battleskirt, sir.

Doorman: Look, we still have some general seating, so you could just buy a couple of day passes for about 50 dollars each.

Gab: We really need the dinars we have for supplies, but how about a trade?

Xena (5 minutes later): I still think we could have wagered his pertinent organs against the day pass, but he seemed to really like your folding staff.

Gab: He'll change his mind when he tries to get it out of his saddlebag in the middle of a fight, assemble it, and assume the position. But at least we're in and.....Hera's chariot, Xena, look at all these....umm...you!

Xena: Gee if I had known this outfit was going to catch on, I'd have tried to patent it. And don't look now, Gabrielle, but I think I see just as many of you in here too. There's you with long hair, there's you in that horrific fish outfit, there's you after I cut your hair with my chakram but before you got it styled.....

Gab: There's you after an all-night bender.....

Xena: No that's me when I had head lice and excess stomach gas. I don't know if I should be flattered.

Gab: Let's see what's happening in here....hey...someone's on a stage.

Sharon Delaney: Thank you for coming all the way to Athens, ladies and gentlemen! This has been one of our most exciting conventions ever, and it's time for our infamous charity auction, so give it up for our guest auctioneer, Xena herself, Lucy Lawless!!

Xena: Tapert's wife is here! Damn, she is really good looking, isn't she?

Lucy: Hello everyone! Thank you in advance for your generosity, which continues to amaze me year after year. Today we have some very special and unique items up for bid, with the proceeds to benefit Starship Children's Hospital. Now I'd like to continue the tradition, so can I please have a couple of volunteers to assist me up here?

Gab: I think everyone in this room just raised their hands at once.

Xena: And not all of them showered this morning, either. I think Head Lice me is on day 22 of a 3 day pair of clean socks.

Lucy: You two in the back over there, dressed as Xena and Gabrielle. Come on up here!

Gab: Does she mean us???

Lucy: Yes, you two.

Xena: I am NOT getting up on that stage.

Gab: Yes you are. We need to find out what's going on here. The future of the world could be at stake, or at the very least, whatever's going on here could make for a really good episode if they ever put our show back into syndication.

Lucy: Hello, girls, and wow, those are INCREDIBLE costumes. What's your name?

Gab: I'm Gabrielle and this is Xena.

Lucy: Of course you are! (laughing). Okay, well Xena and Gabrielle, let's grab a couple of those items over there and start the bidding! Folks, today we're going to be auctioning off actual props and wardrobe used in the filming of our series! Umm.....Xena, could you please show the audience the first item up for bid?

Xena: This thing? It's a little dagger I once picked up in Thrace. The last time I saw it, it was sticking out of Turksan's chest.

Lucy: Who'll give me 20 dollars for this dagger? Yes, thank you. How about 40? 50?

Wow, thanks folks, keep going! And the winner is.....the lady in the back dressed like Callisto, for \$200! Come on up here!

Xena: (Drawing sword): Callisto?

Gab: Xena, no, it's just someone who looks like her. Calm down. Just hand her the dagger.

Callisto Lookalike: Hello! Wow that really is an amazing costume. Where did you get it?

Xena: You're right. It's not Callisto. Her voice is higher, and much more mocking. Also, she didn't wear tie-dyed leg warmers under her boots.

Callisto Lookalike: Hey, I'm on a fixed income. Cut me some slack.

Lucy: Next item up for bid, Gabrielle?

Xena: I'm quite fond of you, Lucy, and you have amazing eyes and superb bone structure, but there's no way I'm letting you put Gabrielle up for bid.

Gab: She meant that I should show the audience the next item up for bid, Xena.

Lucy: That's right, Gabrielle. And folks, Gab is holding a lovely set of brass candlesticks that can be seen in several episodes. Who'll start the bidding?

Xena: I once left a mark on the side of Caesar's head with one of those. You should check to see if the backstabbing bastard's dried blood is still on it. It would probably fetch more in your auction. Hey, are these MINE?

Gab: Uhh...Xena, what are you doing?

Xena: I had to buy a whole new set of saddlebags for Argo last month, Gabrielle, because mine suddenly went missing. At first I thought the stableboy at that last tavern stole them, but he wouldn't confess even after I removed his fingernails with my boot knife, so I knew something else had happened. TAPERT!!!! Where are you?????

Gab: Umm....Xena.....

Rob: Hello, everyone!

Lucy: Hi honey! Would you like to help us with the auction? Xena's getting a little distracted.

Xena: You know, Rob, I thought it was a little strange that I was "misplacing" things, like a dagger here and there, my whetstone, part of my bedroll and even my toothbrush.

Rob: You pushed my prop truck into the Mediterranean, Xena, and I lost valuable filming time trying to recreate enough set dressing and weapons to get through the filming of my latest project. The saddlebags were an impulse, but as it turns out, I needed them anyway. I figured you owed me.

Xena: Your wife is going to have fun trying to put you back together again.

Gab: Now Xena, take it easy.....

Xena: I'd rather take his left leg and see if it will fit inside his ear. I hope he enjoyed his 48 hours outside of that body cast.

Xena lookalike, jumping onto stage: Sharon, what a great idea! An interactive convention! (draws replica sword).....aayyyyyyyyyiiiiiiiiiiii!!!!!!

Gab lookalike: Where's my powder compact???

Gab: That was SO fourth season, lady. Be a woman. Use your staff!

Xena: (deflecting blows from plastic, foam, and replica swords) I'd hate to ruin my karma by actually injuring any of these....umm...me's, Gabrielle, but these people are really getting on my nerves. One of them actually felt up my breastplate to see what it was made of.

Gab: There are three dozen you's, an Ephiny, two Callistos and a Joxer up here on the stage.

Xena: Where are all the you's?

Gab: Trying to talk all the you's out of irreparable mayhem and bloodshed. That'll never come out of the hardwoods.

Xena: Let's get out of here. Charity auction or not, I'm taking my saddlebags back.
5 Minutes Later.....

Xena: You know, I liked it better when there was just one of me. I don't like competing with myself for your attention.

Gab: (bumping into someone) Oh I'm sorry, I wasn't looking where I was going, ummm....Xena.

Xena: I'm over here, Gabrielle. That's just another me, but hey, me, nice sword. The first metal one I've seen all day. Foam breaks down like crazy, resin hurts when you get bonked on the head but isn't much good for the quick kill, and rubber, well....have you ever tried to put someone out of your misery when your weapon is bouncing off their armor?

Gab: OMG! RACHAEL???? Is that YOU??????

RR: (nervously) Umm....no, you must have me mixed up with someone else.

Xena: Rachael! It IS YOU!! What are you doing all the way out here and more importantly, why are you dressed up like me? I thought you were all about authenticity.....you know my boots aren't that short. Sheesh!

Gab: You got that sword at the charity auction, didn't you?

RR: Well, umm....you see, our ratings jumped so high after you guys were on our show that I decided maybe I could keep the momentum going by you know, making some adjustments...using sharper blades....uttering Xena's battle cry when the soufflé turned out right.... things like that. And the leather...viewers love leather.

Xena: Well....I suppose we could help you out, but you're going to have to lose the plastic chakram. And umm....one thing.....you don't have lice, do you?

RR: Umm...of course not.

Xena: Excess stomach gas?

RR: Not since Burrito week.

Xena: Great! Then I think you should travel with us for a few days. I know a farm just down the road....lots of chickens, Rachael. Corn fed. Free range. Organic. You could use some practice with that sword. And let's talk about the wig. My hair hasn't looked that tangled since I got it caught in the wind machine in episode 14, scene 12.

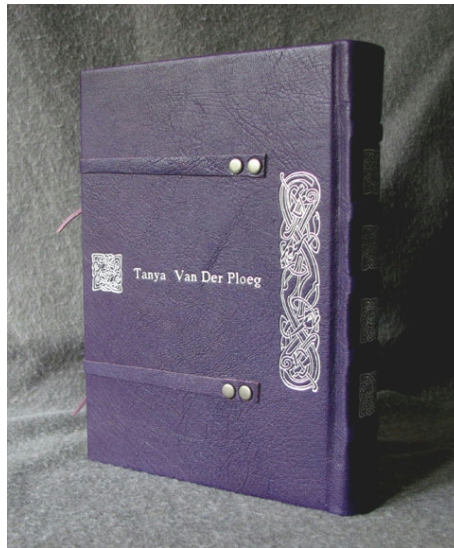

Rachael: Hey, maybe I could borrow one of your outfits for my next show, you know? This craftsmanship is really amazing.....

Xena: Grrr.....

Gab: It's REALLY not a good idea to put your hands on her battleskirt, Rachel.
