“Ties That Bind”

X1 E 20

Xena Prop House is exclusively designed to network and unite Xena and Hercules prop, wardrobe, production and set dressing collectors. Our goal is to bring information to collectors that will help us all as a group and to see what props are available for sale privately and commercially. We encourage a collaborative effort from our "Kindred Spirits" to give us collecting ideas, articles, displays anything that will help us learn and grow. We also will gladly list a prop you have for sale or feature your prop to share with other collectors. Each prop has a unique story, so lets tell it! Our love of props creates the ties that bind us together!

Together Again

Turner's Auctions, It's A Wrap Hollywood, the online City of Hope and Yahoo Auctions are a natural part of our vocabulary. These iconic events opened the doors for the general public to own a piece of Xena and Hercules history. Over time wardrobe and props have moved to all four corners of the planet which separated many pieces from the complete costume or props that were originally seen together. Separation happened for many reasons but in part was due to dealers who wanted to capitalize on their investment and sold completed items separately to try and double their return. I admit I have separated a few items trying to re-organize my collection myself but regret doing that now. I believe the time has come to try and see if we can help some items find their final resting place back together again. I also feel they may remain more valuable together than separate.

I would like to start a section where readers can offer items they have to a specific collector that would help that person build on their collection or requests to try and acquire an item that would help complete a part of a readers own collection. Offering items in this section to try and find a collector who may benefit from your prop and who may also have something you can use in your collection would also be welcome. My goal is not to dismantle our collections but to move props around so they can get closer to their origins. My hope is that this open forum may encourage exchanges; sales or purchases and I would like to call this section "Coming Home". There will always be items that a collector will never let go of for any reason and that is certainly understandable.

I do realize the "Quest" section is a list of collectors "wants" trying to indeed complete their wardrobe but this will be a more interactive section where specific items are "on the table" for trading, selling or purchases.

I will feature any props or wardrobe that have matched up favorably with another so please let us know if you had a successful trade, sale or purchase bringing props back together again!

-Barbie Arms-

Below is my Najara Headdress. Thanks to Chris Clogston I was able to acquire Najara's sword scabbard. She offered it to me after she saw I was looking for items to go with my Headdress, **thanks Chris!!!!**

I also just acquired these two Amazon Scabbards to go with my quiver/ arrow and my Hippolyta boots that also has the metal symbol.

Barbie has

AVAILABLE

- Wardrobe hangers with cloth pockets to hold the small pieces of the Valkyrie wardrobe for "Grinhilda". I would like to offer my hangers labeled "Grin Stunt" Alex Pappelton and "Grinhilda Riding". Anyone with Valkyrie

wardrobe labeled "Grinhilda" may like to have these **OR** labeled Luanne Gordon who played the character.

- Gabrielle Arch Angel production drawing that would display nicely with any Arch Angel wardrobe. The collector who acquired this production drawing said she got them in NZ after a kiwi pulled them out of the dumpster

behind the studios but miraculously came out in excellent condition.

- Hanger labeled X 20 “Adrienne Wilkinson”, “Livia”, to hold small wardrobe items such as her gauntlets, sword scabbard, boot wraps, etc.

The pink label says Eve/Livia Lead X22, Adrienne Wilkinson. The backside of the manila card says X19 “Xena Sleepwear Stunt DBL”. Also the pocket has a second manila tag that says “Clean”.

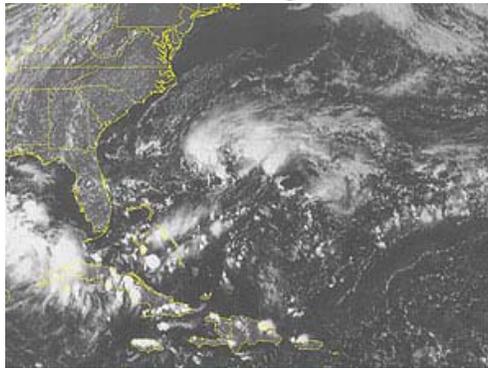

Anyone interested in any of these items please contact Barbie at

1. Here is a large, long, heavy metal sword with a scorpion-like arachnid as the handle. It was acquired from It's A Wrap, post the Yahoo auctions. There was no ID tag on it. It may have been used in Hercules.

This is a new Q and A section to help get those important questions answered.

"If the Shoe Fits"

X4 E 12

If you have a question please send to Barbie at allaboutartgalry@aol.com I will direct the question to the collector(s) who I feel will know the answer, finding a good fit! Anyone who has the answer or can elaborate on an

answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.

Q How difficult is it to put together a complete costume, and what do collectors consider "complete" to be? All wardrobe including footwear, jewelry, etc. or can a costume be complete in some other way? Also, how important to collectors is it to have complete costumes? **Gretchen**

We welcome any and all answers or comments to this question, all will be posted.

Please email allaboutartgalry@aol.com with your questions or comments or if you are able to add additional information to any answers or questions listed here for our readers.

Ebay.com is no longer automatically showing most listings on its sites elsewhere in the world such as ebay.co.uk. If you're looking for something under ***xena props*** and want to find items listed outside the .com site, you now need to click the 'worldwide' box on the left side of the search results page, and then click on 'search' underneath this. This is Tedra's personal book. Tedra has the Lao ma Comb so the image was incorporated into the cover.

Tedra expertly added to the bird's mouth. I also had some metal rivets that were to be used in Livia's wardrobe and they were added in place of the panna shell for the chakram, great effect!

CUT SCENE WHERE

Gabrielle is kissing Lin Qi', it was cut from Episode X 5 E 7 "Back in the Bottle"

Xena Sword

The Xena master sword was remade for Season Four to Six. There is a round flat rough spot on one side of the bulbous part of the hilt. This was due to an imperfection in the mold for resin swords or from some type of pressure point. This would be a good way to determine if your resin sword is genuine and not a Todd's or replica as this imperfection would not normally be recreated.

Here is my Sword that is from Season Four to Six. My resin sword has the same imperfection.

You can see the round rough spot just under the light. If you have any information to add please contact allaboutartgalry@aol.com
